Testimonials

"I was really pleased with the wedding photography service that Hanne provided. We did an engagement shoot before the day where she helped me to feel more comfortable having photos taken; I was impressed by her preparation and determination to deliver what I asked for and more. The end results were high quality with many treasures."

"Hanne was the absolute dream photographer for our wedding! To say she went above and beyond is a huge understatement. The photos were lovely, and she was just the right mix of discrete, fun and authoritative! I couldn't recommend her highly enough!"

ENGAGEMENT SHOOTS

£250

Engagement shoots are a perfect opportunity to capture the excitement of your engagement in a personal way.

Engagement shoots are ideal for you to grow in confidence and practice poses in front of the camera before your big day in a fun way!

Together we will style your shoot, if it's along a beach or on your favourite country walk, the location can be as personal to you as you would like. We will guide you through the whole photoshoot so you can relax, have fun and enjoy the experience. It's also a great opportunity for us to get to know each other more, which we often find helps ease couples on the big day.
